## Region 2A UNDEFEATED Champions!

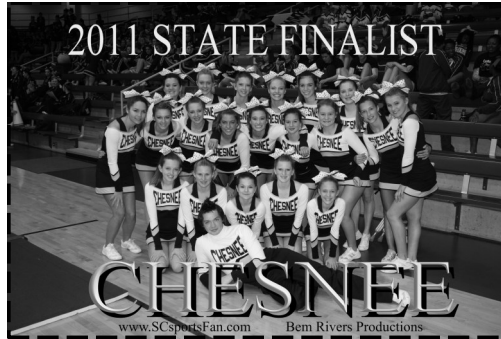

Chesnee Lady Eagles volleyball had a wonderful season this year. Tori Bush, Alexis Alexander, and Samantha Haynes were named All Region, and Samantha Haynes was named All-State. Coach Cash said, "It was a great season and all the girls gave their best. I am very proud of my team. We're not giving up, only getting better. You will hear more from us next year." They hosted all of their playoff games, but unfortunately fell short to Gilbert in the Upperstate game. Thanks for all your support this year. Go Eagles!

## CHS EVERYBODY YELL, C-H-S!

Chesnee Eagle competition cheerleaders had a great season this year! They started off their season with their first win at Spartanburg High School, then

another big win at Chapman High School where they also won Grand Champs. In addition, they also placed first at Woodruff High School. At the Upper State competition on November 9th at Dorman High School, the cheerleaders placed third, one point from second. They've worked very hard from Friday

night football games, to practicing for at least ten hours a week, then having to get up bright and early for competitions on Saturday.

"This has been our best year.

We are sad that it is our last. We gave it our all and we wouldn't change a thing," stated Kennedi

Lindsey and Codie Smith. The state competition was held on November 19th at the Bi-Lo Center; they came in third place behind Liberty and Palmetto. They did great, and they've worked really hard this year. They are very talented and you will see them at state next year!
