## Cadets in Training

According to Command Sergeant Major Paul Bradley, the cadets gained valuable experience at JROTC camp June 12-16, 2011. The camp was held at Camp Bud Sheiele in Rutherfordton, NC and provided them with knowledge and skills to provide care for certain injuries.

They also learned how to read a map, locate certain points on it, and had the opportunity to compete against other companies and platoons. Paul stated, "My experience at camp was amazing, and I was thankful that I was able to go and learn about teamwork and leadership." Two CHS teachers attended the camp this summer, Ms. Treffinger and Mrs. Stripling. Ms. Treffinger said she enjoyed her time at the JROTC camp. She enjoyed participating in the activities that were provided. She says she will definitely be going back. Mrs. Stripling said this is her second year attending this camp. She repelled down a sixty foot tower and thinks the camp is fun and challenging. She said she will be attending next year.
