

## Comprehensive Health Education – Erin’s Law

<b>5K-5<sup>th</sup> Grade</b>	Guidance Counselors are responsible for Erin’s Law lessons.	Guidance Counselors received training on Erin’s Law by SDE spring 2015. They selected appropriate lessons for each grade level from those written by the SDE. Resources suggested by SDE were purchased for each elementary guidance counselor.
<b>Grades 6-8</b>	Comprehensive Health Education teachers responsible for lessons aligned with subjects related to Erin’s Law	Units of study for grades 6-8 were written and added to current Health and PE Curriculum Guide and are available on the district website.
<b>Secondary</b>	Comprehensive Health Education Teachers responsible for lessons aligned with subjects related to Erin’s Law.	Units of study for secondary were written and added to the current Comprehensive Health Education Curriculum and are available on the district website.

All teachers have copies of Erin’s Law and have received staff development on the law at the school level.

All elementary teachers are aware of and have access to Erin’s Law Instructional Units and Resources.

All middle and high school Comprehensive Health Education teachers have access to Erin’s Law Instructional Units and Resources.
