

New Chesnee Football Coach Named Bill Owens to lead the Eagles

Spartanburg Two is proud to announce that Bill Owens has been named the new Head Football Coach at Chesnee High School.

Owens is no stranger to our District or the Chesnee community. For the last six years he has served as athletic director at Chesnee High School.

“One of the things that I fell in love with Chesnee over my last six years here as athletic director is watching the community we have rally around our kids,” Owens said. “Everything in Chesnee centers around the church and around our school and they support every aspect of Chesnee High School, the athletics, arts, anything that is going on here. It’s one of the things that drew me here and one of the reasons that I wanted to become the next head football coach at Chesnee.”

Owens has previously coached at Ninety-Six, West Oak and Union high schools. He also served as head coach at Indian Land and Broome high schools. In 2004 Owens led the Centurions to a State Championship.

Chesnee High School principal Tom Ezell said he thinks Owens is the perfect fit to coach the Eagles.

“I’ve known Bill for most of his career,” Ezell said. “He has been a fantastic athletic director and he will be equally as good of a football coach. I think Bill will bring some excitement to the program.”

Superintendent Dr. Scott Mercer said Owens will assume his coaching duties immediately and the District will soon begin the search for a new athletic director at Chesnee High School.

“We have found Coach Owens to be a man of character and feel strongly he will keep the program at Chesnee High School moving in a direction that will make the community proud,” Mercer said.
